Respect and Pride brings Success

“ The college has created a positive environment for learning in which students’ spiritual, moral, social and cultural knowledge and skills are developed well. ”
Ofsted

Welcome to Ibstock Community College, thank you for taking an interest in our school.

Situated in the heart of the national forest, our aim at Ibstock Community College is deeply rooted in providing an excellent education for all our students, designed specifically to bring out the best in each of them and prepare them for success in life.

We are a caring, friendly and inclusive school, whose success is built on a wonderful staff team, a clear focus on learning and on treating students as individuals. We aim to provide our students with an exceptional foundation for further study, training and employment.

We believe our role is to challenge young people to fulfil their potential both in the classroom and in a wide range of extra-curricular activities. To help them succeed we provide comprehensive and high quality pastoral care.

We have high aspirations for all of our students; we want them to leave us with superb qualifications, great communication skills and the self-confidence, vision and understanding to be successful and happy in a fast changing world.

Curriculum

Our curriculum is designed to provide young people with the core knowledge they need for success in education and later life; to maximise their cognitive development; to develop the whole person and the talents of the individual; and to allow all children to become active and economically self-sufficient citizens. By drawing on the best that's been thought, said and done in each subject, we believe that our curriculum at Ibstock Community College enables young people to make connections that will help them to understand the world around them and their place in it.

Our 5 year curriculum is rooted in mastery. Students at Ibstock Community College study fewer topics in greater depth. In Year 9, our GCSE options process encourages students to study the EBACC suite of subjects English, maths, science, French, history or geography. In addition, a creative route with a small number of vocational courses is offered to ensure sufficient breadth in the curriculum for all learners is maintained. In our lessons you will typically see students grappling with the same challenging content, with teachers providing additional support for students who need it. Our higher attaining students, will study content in greater depth and will be encouraged to explore enrichment opportunities as well as being introduced to new content which will develop and strengthen their interest and skills even further.

In order to allow the mastery approach to be effective (i.e. students learn what they are expected to in the year they are expected to), early catch up is essential: we identify and support students who start secondary school without a secure grasp of reading, writing and mathematics so that they can access the full curriculum.

Our taught subject timetable, approach to spiritual, moral, social and cultural development, the tutor system and the ethos and 'hidden curriculum' of the school - are interwoven into The RESPECT standards at Ibstock Community College. These opportunities allow our students to grow in strength both academically and through our personal development curriculum. Through this we explore, discover, and celebrate our differences within the college, our community and across the globe. We are also extremely proud of our music and sport extra-curricular activities, just two branches of our co-curricular and enrichment offer.

Respect standards

Underpinning our ethos are The RESPECT Standards. These embody a mutual respect, built from trusting relationships between our staff and students, parents and carers, our governing body, our local community and partner schools. We communicate with each other calmly, politely and respectfully.

Pastoral Care

At Ibstock Community College we pride ourselves on the quality of our pastoral care. We see all of our staff and students as part of our Ibstock family and our Pastoral Team are dedicated to providing students with a high level of support within school to help them cope with the demands of life and to enable them to have the opportunity to meet their academic potential.

Our Pastoral Team consists of our Form Tutors, Pastoral Managers, Behaviour Support and a wider team of attached staff mentors. We pride ourselves in knowing each child individually and working very closely with students, and their families, to help each child reach their full potential.

Our Pastoral systems are tightly interwoven with our SEND interventions and our highly experienced staff build in further support through the extensive network of external support agencies.

We have high expectations of our students' and their positive attitudes towards their learning. Ensuring every child understands and adheres to behaviour expectations, recognises and responds to our attendance and punctuality processes and is proud to represent our school community in retaining high standards of uniform, is a fundamental part of successful wider academic growth.

Building the skills for students to be respectful towards all, resilient in their learning and proud of being Ibstock students, is something our Pastoral Team excels in nurturing.

Partnership

Successful learning depends upon a strong partnership between student, school and home. At Ibstock Community College, we have an excellent relationship with parents, underpinned by our commitment to good communication.

Regular meetings, telephone conversations and our ParentLite portal guarantee that parents have ready access to all the information they need about the progress and achievements of their child.

Our nursery and leisure complex are both extremely popular facilities. We are delighted to be able to provide these services for the benefit of the community and to serve the population of Ibstock and the surrounding area.

The college also has valuable links with industry and community groups, enabling students to learn and gain from these relationships. Most important of these are our strong links with our feeder primary schools. Working together enables smooth transition for students joining us in year 7.

Beyond the classroom

School is about so much more than classroom learning and we provide a wide range of extra-curricular activities both in and out of school. A wide range of clubs in school currently include art, drama, gaming, debate, music and a range of sports.

Our music department offers the opportunity to join several concerts and productions and, of course, individual music lessons can be organised with our peripatetic teachers.

Away from the school site, educational visits offer students a wide range of cross-curricular experiences. These include visits to France and Belgium, Stratford upon Avon and the Bay of Naples.

Facilities

Our well-maintained campus is equipped with a range of specialist classrooms all with interactive white-boards, projectors and visualisers. Additional technology includes three digital suites and a variety of class sets of laptops and tablets that are used to enhance our curriculum.

We have a spacious Sports hall, all weather pitch, swimming pool and a range of outdoor PE facilities.

Our dedicated music room has adjoining practice rooms and is situated close to the stage which is our drama and performance space.

We have four spacious science labs and the science block also boasts a large ICT suite which is one of the Design and Technology learning zones. We also have an Art studio, textiles room, resistant materials workshop and a food technology kitchen and classroom.

Our library is situated at the heart of the college and has a wide selection of literature which is available to all students via the Accessit booking system. The library is also the base for homework club, book club and is open at lunchtime for students.

Ibstock Community College is part of the MULTI ACADEMY TRUST.
